

# The HR Support Center

Best-in-class tools to manage workplace compliance and employee relations issues

## Unparalleled HR Expertise Whenever You Need It

The HR Support Center provides access to exclusive, industry-leading HR tools and resources. From employee handbooks, job descriptions and other commonly used HR documents, to up-to-the-minute law alerts, easy-to-understand state and federal law libraries, and unique training videos, the HR Support Center will help you effectively manage your HR compliance and employee relations needs.

## HR Support Center Tools and Resources

Our cloud-based solution is available 24/7, and the exclusive content is created in-house by our team of certified HR Pros. Features include:

- ▶ Employee handbooks through our easy-to-use Handbook Wizard
- ▶ Wide range of job descriptions
- ▶ Quick Guides and checklists on common HR topics, including Health Care Reform, Hiring, Termination, and more
- ▶ Extensive, easy-to-understand federal and state law libraries
- ▶ Exclusive Training On-Demand videos
- ▶ Custom-built HR podcasts
- ▶ 3-minute HR Audit to help quickly identify HR compliance gaps
- ▶ Weekly HR Snapshot emails featuring a Q&A on trending HR topics
- ▶ Timely HR Articles

**Our cloud-based solution is available 24/7**
